MGCCC Online Library Catalog
MGCCC Online Library Catalog

The mission of the Library at Mississippi Gulf Coast Community College is to provide instructional support services that reinforce the curriculum of the college. We accomplish this by providing a well-trained staff, excellent resources and accessible facilities. We both encourage and assist students to use the resources of our library to meet their personal and educational goals.

Card Catalog Search Screen

You may search by specific campus or conduct an ALL search. ALL will search all three campus libraries plus electronic books.
Search type

You may search by words or phrase, author, title, subject, series, or periodical title. Words or phrase will search all fields.
The card catalog will provide bibliographic information as well as location. If the title is followed by [electronic resource], the item is an electronic book and the full-text may be accessed online through NetLibrary or the Gale Virtual Reference Library.
Subject Search

To search by subject, type in your keyword and select the “subject” button.
This screen lists what titles are available, the author, publication date, call number, and location. Stacks books are available for check-out. The Mellon book is available in the Stacks at the Jackson County Campus Library.
For More Information

MELLON: an American Life / David Cannadine
Cannadine, David, 1950.

A landmark work from one of the preeminent historians of our time: the first published biography of Andrew W. Mellon, the American colossus who bestrode the worlds of industry, government, and philanthropy, leaving his transformative stamp on each. Andrew Mellon, one of America's greatest financiers, built a legendary personal
